Mission Statement:

To conserve the natural, cultural, scenic, and recreational resources of Breaks Interstate Park; to assist in providing a variety of recreational and educational opportunities; and to assist in promoting environmental stewardship to this unique, congressionally established park.

The Breaks Park budget provides for some basics, but is not adequate to meet current or future needs for maintaining or improving facilities. To better serve its visitors, and provide more services and opportunities, we need your help to:

- Advocate for the park
- Support park activities
- Beautify open spaces
- Improve park safety
- Foster conservation
- Upgrade park recreation areas
- Serve on the Friends Group Board

MINTY VERBETEN

Past and planned Friends Group projects include upgrading and expanding biking, hiking, and walking trails; lake clean-ups; improving park play areas; a park visitor information kiosk project, and much more.
